General Business.

- Mark B enquired as to when the AGM will be held, SP confirmed Tuesday 1st December
- SP confirmed Presentation night will be Saturday 5th December at Manly Bowling Club, cost per ticket is $50.
- Les enquired is we would get a menu prior to the evening; Matt F was able to confirm what the menu.
- Les questioned the cost of the evening at $50, stating it used to be $35. SP acknowledged that the price is $50 for a 3-course meal that is subsidised by the association and it was few years ago that the price was $35 per head.
- Simon reminded all Captains with the upcoming AGM that any calls for constitutional changes need to be made at earliest convenience.
    a. Les suggested we go back to monthly Captain meetings instead of bi-monthly, feeling too much gap between meetings. SP acknowledged this can be put to the group; Bowie flagging that meetings would need to maintain the option of being attended virtually.
    b. Les also suggested alternating the venue, SP stated whilst good idea in principle it does have some complexities in ensuring Captains turn up to correct venue as well as availability of parking at certain venues. SP noted that the Builders club would be closing down from end of June 2027.
    c. SP would like to introduce a new committee role, the would be 'Social Media and Website'.
    d. SP asked all captains to attend and encourage fellow team members to also come along.
- JG confirmed that both Builders Club will need to find a new venue, either prior to commencement of 2027 season of by the end of June 2027
- SP reminded all Captains of upcoming events such a Builders Day on Saturday 24th October, Players Championship on 8th November and Nomads Men's Health Charity Day on 21st November.

With no further general business, the meeting closed at 7.41pm

**President's Report – October 2026**

Good evening, everyone.

Well, the Winter Competition round robin phase is now complete, and once again we've seen some terrific darts and some really competitive matches played. It's been great to see the competition getting tighter as the season has progressed.

Good luck to all the teams as we now move through the division rounds and towards the semi-finals and finals. There's still plenty of darts to be played, so hopefully we see some more cracking matches before we crown our Winter champions.

Our travelling players have been a little quiet of late, but we did have The Gunners making the trip up to the Tillegerry Sixes tournament.

The team consisted of myself and James, along with our Albury contingent of Lesley, Ron, Nicole, Aaron and Pikey. Unfortunately, we didn't quite manage to meet our expectations of winning five matches—we only managed the one!

But once again, we had an absolutely fantastic time. It's always a great weekend, and despite the results, we thoroughly enjoyed ourselves. We'll definitely be having another crack at the same event next year and hopefully we can improve on that one-win performance!

Closer to home, we have also completed the round robin matches for Premier League 7, with the finals taking place this coming Monday night at Pittwater RSL.

This season we had 20 players competing across A and B Grades, and it has been the closest Premier League tournament we've had so far. There have been some fantastic matches throughout the competition.

If you're interested in following the action, the semi-finals and finals will be available to follow online through DartConnect on Monday night.

We've still got a few events coming up before we wrap up the year, so there's plenty happening within the association.

**Builders Quad Board Day** – Saturday 24th October, 11am at the Builders Club.

**Players Championship Finals** – Sunday 8th November, 11am at Pittwater RSL.

**Nomads Men's Health Charity Day** – Saturday 21st November, 12pm at Nomads Brewery.

**2026 Annual AGM** – Tuesday 1st December, 7pm at the Builders Club.

And finally, our **Presentation Night** will be held on Saturday 5th December at 5.30pm at Manly Bowling Club.

So, plenty to look forward to over the next couple of months.

That's all from me tonight.

Good luck to everyone for the remainder of the Winter Competition. Play well, enjoy the darts, and hopefully we see plenty of you getting involved in the upcoming events.

Cheers.

# NORTHERN BEACHES DARTS
# OCTOBER MEETING

Hi everyone,

Once again we are almost at the pointy end of the competition, and from my end things have gone very smoothly, thank you to all Captains.

This month saw the first week of our new grading system. A Grade saw some very strong darts, with Pitty 1 taking the early lead, both games finishing with a very fitting 9-7 score. B Grade also produced some extremely close scores, with very little separating the teams. For the C Grade once again saw some very even results, with the scores being remarkably similar across the games. The competition is looking evenly matched, and we can expect plenty of close games in the coming weeks. It is great to see such a closely fought competition.

Across the competition, there were numerous 180s scored, along with some excellent high pegs and far too many LND'S to mention! The quality of the finishing has also been impressive, with an incredible 20 Bull finishes recorded. I have also recorded five 171s — the 19's 180. Great darts thrown by great players.

I must also make a special mention to all the teams who may not be winning every week, but continue to turn up, play their games and give it their best. Winning is always great, but the commitment to showing up week after week is what helps keep our competition strong. Every player and every team has an important part to play, and we really appreciate that commitment.

We have some important darts events coming up on the calendar, please keep an eye out for the dates and get behind the teams and people who put in the time and effort to organise them. So, where you can, please go along have a great day, which these event always offer, and remember it is your support that helps keep our darts community growing and our competitions going from strength to strength.

Well that is all from me, and I look forward to seeing you all in the flesh, so to speak, at our AGM in December.

Lesley
