Agenda items discussed.

- Following Treasurers report, Les and supported by Josh enquired what could be done to improve the payment of fees by teams, given we are at end of season and teams have not paid (i.e. deduction of points or eligibility to play finals) Simon acknowledged we need to tighten up the process and James offered to produce invoice for any team needing one.
- Presentation Night has been set for Saturday 6th December, details are:
 - a. Being held in brand new function room at Pittwater RSL

- b. Starts at 7.00, doors open at 6.45.
- c. Cost is \$50 per head, this includes 3 course meal, MC, DJ, games and raffles.
- d. Payment is due by 21st November as payment is due to club on 22nd.
- e. Reminder to sell raffle books and get back to Simon.

General Business:

- Phil confirmed they have booked in the Memorial Day and enquired about getting glassware as prizes. James confirmed he has the portable boards and are available. Josh confirmed lights from the Builders club can be borrowed on the day.
- Phil did raise the question of changing the formats about bring your partner or drawing names due to a few people making noise. Consensus from Captains was stick with tradition of years gone by and no cater for the few
- Phil requested that Dave be added to Captains distribution, as after many years Phil is stepping down as Captain for Timo 1
- In line with Constitution Les submitted a Life Member nomination to the President, Simon acknowledged receipt and confirmed this would go through correct process to be voted on.
- Matt F wanted to confirm Players Championship and selection, Simon confirmed top 8 in A Grade, next 8 B Grade and then next 8 C Grade working down the list of who is available.
- Simon confirmed the Grand Prix Day is going and will be putting flyer on Facebook.
- Josh acknowledged improvement in association website and be good to promote it as not everyone is aware of it.
- Confirmed Builders Day is on 22nd November and supplied hand outs for Captain to take back to their teams.
- Josh asked Captains to assist in applying scoring etiquette, noting issues with the player giving the scorer the score before they have had a chance to work it and hence just accepting it as correct.

Meeting closed at 7.58pm

Good evening everyone,

Thank you for coming down and joining online this Melbourne Cup Tuesday.

Starting off with additional tournaments, we haven't had any travelling players since last comp but last night we concluded Premier League 4 with an epic finals night at Pittwater RSL. Congratulations go to the A grade winner, Brad Horton who beat Matt Haines 10 - 6 and to Dave Mcinerney who beat Graeme Crawford 8 - 7 in the B grade final. We will be kicking off Premier League 5 in February next year.

On Saturday we held the Pittwater Championship day which was a great success and an absolutely brilliant day. Thank you to the sponsors who put up some great raffle prizes, Nick and John from Paddock & Vine, Mona Vale. Brad and Shane from Shanes Quality Meats Collaroy Plateau and Pittwater RSL themselves for the restaurant voucher and events showbag. We started with a drawn doubles tournament which saw Phil Hampton & Simon Nichols narrowly beat Kim and Simon Peacock in the final. We then contested a two chance singles tournament which saw Roberto beat Tom Jones in an epic final. All in all, it was an amazing day and one that will definitely be on again next year.

Changing tact, I would like to mention the successful launch of the Northern Beaches Darts website. A big shout out to our sponsor, Andrew Gobsal of Nitor Tech for pulling it all together and hosting it. If you haven't already, please check it out at northernbeachesdarts.com.au, you will find some great pics, all upcoming events even minutes of past captains meetings and a whole lot more.

Finally as we come to the end of our second Wednesday comp of the year, there are some great tournaments still to come with the Builders day on the 22nd November, the Grand Prix tournament at the Builders club on the 26th November, the Players championship final at Pittwater RSL on 3 December and finally the Zone 8 Championships on 13 December. Speaking of, if there are enough people going up for that Saturday tournament, we are thinking of getting a bus to the Central Coast Leagues, please discuss with your teams and post interest in the chat.

That is it from me now, good luck to all teams for the last round tomorrow night and then for the finals over the next two weeks.

Cheers

NORTHERN BEACHES DARTS NOVEMBER MONTHLY MEETING

Good evening everyone,

I hope you all had a good day with the Cup.

We are now at the pointy end of the competition for this year, and I certainly feel it has gone very quickly.

I know it is a little premature, but it would seem that there is nothing stopping Pitty 1 from once again being our Minor Premiers. This competition they did not drop a game, although there was one week when they did at least have a draw, which does show they are beatable, the question is by who. Well done to all the team and especially their globetrotting Captain.

Since my last report there has again been great darts thrown. We have recorded 22 180's and another 2 171's as well as 9 Bull finishes. As far as LND's go we have recorded 61 players, all good scores, the highest being 21 and another player recording a 14 darter. For the best peg outs we again had great scores, with a 164 being the highest recorded. Great darts and I feel it is only going to get better in the next comp with all the new teams coming into their own and gaining more confidence.

Congratulations to the three Pitty teams on their great day on the 1st November. Apparently everything went well and those who attended enjoyed the day. Thank you to all the sponsors who made it possible for a great raffle. Good luck to the Builders who will be holding their day on the 22nd November.

I would like to thank all Captains for making my job very easy with eligible sheets, and the little snippets that came in handy for the weekly blurb.

That is all I have to say in this report. Good luck to all teams in the Semi's and Finals and I look forward to seeing you all in the flesh at our AGM in December.

Lesley

Treasurer Report 04/11/25

Hi all,

One game to go already!? Time is flying. Good luck to all teams tomorrow and for the finals.

I can imagine everyone is sick to death with me and my messages/calls regarding paying team fees. But as we get to this time of the year everyone involved is working hard to arrange presentation nights, medals and meals so getting the cash in on time is essential. Thanks to everyone for getting their money in whatever methods or arrangements made.

There is however just one team that is outstanding, Bucketees. I have sent messages via messenger and on the captains whatsapp feed multiple times for all. Just a note also, I know some clubs pay the teams fees but can each captain going forward work out how these fees are being paid and have communication with each other and myself so it can run even more smoothly and easier to track. Thank you.

Since our last meeting our balance now stands at \$8,888.93. In addition, another \$1200 which will be with us tomorrow in arranged team fees, takes the total to \$10,088.93.

Deductions since last meeting total \$2687.69 which is for Presentation night expenses including room hire, raffle ticket books, some awards and the incredible raffle ticket prizes!

Go buy them!

James
