Welcome extended to all Captains.

- Minutes from the last meeting
 - Mover = Brad
 - Seconder = Les

- Presidents Report
 - Mover = Matt
 - Seconder = Brad

- Treasurer Report
 - Mover = Les
 - Seconder = Brad

- Match Secretary Report
 - Mover = Pete
 - Seconder = Brad

General Business.

- Les confirmed following the success of the first Builders Day that the two teams are looking to do second event later in the year, aiming for a Saturday whilst avoiding the busy periods of other comps and end of season. Les made comment that it will again be a bit of a different day again with a few surprises
- Matt F enquired what the plans might be for the next competition, SP responded stated it would likely to be a single competition, not graded till the end of the season with round robin games again
- Matt F also enquired if there was space for more teams, SP responded that the preference would be to remain with the same team numbers for this year as it removes some of the complexities and allows us to operate with the same draw. SP did note it is good to see more teams and interest on the NB and whilst it is not a definitive 'No' there is preference to stay where we are. Any change would need to be addressed early and allow for planning.
- Bowie sought confirmation of when the district championship would be, SP confirmed this will be Saturday 12th July. **SP to send out some information and promote.**
- Josh questioned whether we could again explore how a player splitting games with another player might be able to get more than 2 games on a night (i.e. have name in two spots below main four players). The general feeling was this is good idea but does have some potential unintended consequences such as a person playing the same person twice in a night.
- Austen made comment that the Builders 2 in part address this by giving singles games to the player with 2 games, whilst the other gets 1 single and 2 doubles

With no further general business, the meeting closed at 7.25pm

President's Report – June 2026

Good evening, everyone,

We are now approaching the finals of the Summer Competition, and all three divisions remain incredibly close. The new format of splitting the teams has been very well received, with overwhelmingly positive feedback from players across the board. It has created some extremely competitive matches and is clearly bringing out the best in everyone.

Best of luck to all teams over the remaining rounds and, of course, as we head into the knockout stages of the finals.

There is only one travelling player update this month. James and Brad from Pitty 2 took on the Doubles and Singles Gold Classic on the Central Coast a couple of weeks ago. Much like their Silver Classic campaign, the darts may not have gone entirely to plan, but they certainly made up for it by winning their fair share of battles at the pool table. We wish Phil and James the very best as they head back to the Central Coast in a couple of weeks to compete in the Australian Classic.

Last Sunday was also a fantastic day at The Manly Club, where Sydney Darts hosted an exhibition featuring former World Champion Richie Burnett. We had four of our local players take to the stage to test themselves against one of the game's greats.

First up was Driller, who, after being left with the wrong finishing advice, was ultimately defeated 2–0. Next was Brad "The Butcher", who started strongly but also went down 2–0. Third on stage was Brendan from Calabria, who managed to take a leg from Richie and produced an impressive 70+ average before narrowly losing 2–1. Finally, James, one of the major sponsors of the event, stepped up for his moment in the spotlight but was also defeated 2–0.

Results aside, it was a terrific day enjoyed by all players and spectators, and a great opportunity to see a former World Champion in action.

That's all from me this month. Shoot well, enjoy the finals series, and once again, best of luck to everyone competing in the upcoming semi-finals and finals.

Cheers

Treasurer Report 02/06/2026

Hi All,

Comp 1 nearly done, time flies.

As usual this time of year, not much to report but big thanks to all for making payments quick and easy or everyone involved,

Current balance is a very healthy \$10,823.75

Good luck with the last few game and finals.

James

NORTHERN BEACHES DARTS MAY MONTHLY MEETING

Hi everyone,

Apart from the usual, where at the bottom of the sheets, the LND'S, HP's and 180's are sometimes a little different from each other, everything is going well from my end. Having the A, B and C grades actually makes it easier for me, and I feel looking at the scores each week it is fairer for the bottom teams.

I would like to congratulate BUILDERS 2 for having their first point in the comp. A few weeks ago they drew with the NOMADS, which has put them on the sheet, and it is nice to see, but to be fair quite a few of their individual games go to three, unfortunately they cannot seem to get the break they deserve. Although I do feel when it comes to the finals they actually go up a notch, so good luck.

With just one week to go PITY 1 is still leading the charge for A grade, with 12 points, and although there have been few close games it would seem that no-one can get near them. Also for A Grade we have Pity 1 and Timo 2 both on 4 points with the Calabria Club trailing with 2 points. For B grade it is the Manly Bowling Club and Pity 4 who both share the lead with 7 points three ahead Builders 2 and Timo 1 who are both on 4 points. For the C Grade it is Club Manly who are on top with 12 points 3 ahead of Pity 3 who now has 9 points while the Nomads and Builders 2 both have 1 point each.

Since my last report we have had 36 180's recorded, countless LND's and quite a few HP's over 100. Also we have recorded 10 Bull finishes and 3 x 171's. This shows the calibre of our players. And it also means that this comp we will definitely need more revenue for our trophies.

If any Captain is unsure if their players have had enough games to qualify for the finals please check with either Simon or myself.

That's it from me, and I wish all teams good throwing for the next week and of course the finals.

Lesley
